[Council of Chief State School Officers](#) (CCSSO) CCSSO stands ready to support all states as they move forward in implementing the Every Student Succeeds Act. Our support includes:

- Providing tools and resources so every state can learn about the content of the new law and how it will directly impact their students.
- Hosting a series of webinars and in-person meetings to provide states with one-on-one support as they plan for changes at the state and local level.
- Providing comprehensive supports throughout the transition period as states develop implementation strategies and new state plans under the new law.
